Home
by Abba Patterson

Home is a place where you
 can find your family and friends
 where you can relax and be
 yourself without any pretense
 where you can be happy and
 content with your life
 where you can be safe and
 secure from all harm
 where you can be loved and
 cared for by those who
 matter to you
 where you can be proud of
 who you are and where you
 belong
 where you can be at home
 in your own skin
 where you can be the best
 version of yourself
 where you can be happy and
 content with your life
 where you can be safe and
 secure from all harm
 where you can be loved and
 cared for by those who
 matter to you
 where you can be proud of
 who you are and where you
 belong
 where you can be at home
 in your own skin
 where you can be the best
 version of yourself

Going home
by Jorge Rolon

Going home is a feeling
 that you can't describe
 it's a mix of love and
 longing
 it's a sense of peace and
 comfort
 it's a reminder of who you
 are and where you belong
 it's a place where you can
 be yourself without any
 pretense
 it's a place where you can
 be happy and content
 with your life
 it's a place where you can
 be safe and secure from
 all harm
 it's a place where you can
 be loved and cared for
 by those who matter to
 you
 it's a place where you can
 be proud of who you are
 and where you belong
 it's a place where you can
 be at home in your own
 skin
 it's a place where you can
 be the best version of
 yourself

Home is much more
by Sylvia Chidi

Home is much more than
 just a place
 it's a feeling
 it's a sense of peace and
 comfort
 it's a reminder of who you
 are and where you belong
 it's a place where you can
 be yourself without any
 pretense
 it's a place where you can
 be happy and content
 with your life
 it's a place where you can
 be safe and secure from
 all harm
 it's a place where you can
 be loved and cared for
 by those who matter to
 you
 it's a place where you can
 be proud of who you are
 and where you belong
 it's a place where you can
 be at home in your own
 skin
 it's a place where you can
 be the best version of
 yourself

stanza 1 & 2

Home is the place your heart resides
Home is the place that you decide
Home is the womb that holds the soul
Home is the place where one is whole

Home is the glow you hold in your eye
Home is the emotion that makes you cry
Home is safe and a place of peace
Home is where all strivings cease

Home is protective against the others
Home is full of sisters and brothers
Home is where you find your rest
Home is where you feel your best

Home is a memory that follows your being
Home is a dream for those agreeing
Home is the place where reserves fall
Home is the place you yearn to call

Home is where the family meets
Home is a place of restful retreats
Home is the place you know you'll be heard
Home is the pace where nothing blurs

Home is all these wonderful things
Home is the place you develop wings
Home is the place that you'll find one day
Home is the place where your heart will stay

Stanza 1 2 3

I'm going home I'm going home I'm going home
I just need time alone I just need time alone
I'm going home I'm going home I need to be on my own
I'm going home

I miss the Michigan sun and everything and everyone
Everybody who pushed me to be Everything I could ever be
They all just wanted the best for me And they all knew
All I ever wanted was to be like you
Even when I was young and loud
All I ever wanted was to make you proud
And I need to get back to the stars
Because Michigan holds my heart

I'm going home I'm going home I'm going home
I just need time alone I just need time alone
I'm going home I'm going home I need to be on my own
I'm going home

I need to feel the Michigan breeze
That makes everything feel at ease
Because you're so hard to please
And I just need to get away
Cause with you nothing's ever okay
I can't stand being here with you
Because I just can't be who you want me to
And everyday I try
But every smile I have is a lie
I just can't do this right
So I'm leaving town tonight

I'm going home I'm going home I just need time alone
I'm going home I'm going home I need to be on my own
I'm going home

And I need to get back to the stars
Because Michigan holds my heart
