It was on May 13th, 1870 that Mitsubishi was founded. The logo featured three diamonds with each of the one of the tips connecting. This means "Three Diamond Crest".

# Five facts about Iwasaki Yataro

- He died at age 50 from stomach cancer.
- He at one point was thrown in jail for upsetting the authorities.
- The headquarters of Mitsubishi were moved to Tokyo.
- He was dispatched to Nagasaki.
- He was later transferred to Osaka.

My favorite cars made by Mitsubishi are the Evos (shown in previous slides), there are 10 generations of them, here they are
