

vOperations Management Assignment

Course progression & weekly debriefs

TheCaseSolutions.com

Week 1 Debrief

Your Accomplishments

- Introductions went well & there is a lot of experiences & talent in the class
- Discussion postings for Week 1 on competitive advantage & how it may be improved

Observations & Recommendations

- APA requirements are for assignments as well as discussion postings
- Posting initial discussions by midnight Thursday so others can appreciate, learn, & respond in time
- Respond to at least two other students for full credit by midnight Sunday

Week 2 Debrief

Your Accomplishments

- Discussion postings were invigorating & sparked a lot of good conversations
- We discussed vertical integration advantages & disadvantages

Observations & Recommendations

- APA requirements are for both the discussion postings & assignments; a lot of points are left here
- There are a minimum of 3 references per assignment, not including the text. With the additional references add to the learning process, support your claims, & give credit to authors for their work you are using

Week 3

Your Accomplishments: Your discussion postings about power organizations and how they may compete on cost, efficiency, or other attributes. One your research to determine advantages and identify how an organization uses the strategy in the business world.

Observations & Recommendations

- All requirements are in both the discussion postings & assignments; a lot of points are left here
- The main goal is to provide all the postings & assignments; there are a minimum of 3 references per assignment, not including the text. With the additional references add to the learning process, support your claims, & give credit to authors for their work you are using

- ✓ With future analysis to be the process of building a complex from which analysis can be given a better understanding of it. The analysis will help you to make sure you are prepared for the next step in the process. You will be able to find the next step in the process. You will be able to find the next step in the process. You will be able to find the next step in the process.
