#### Finance, Accounting, and Operations Rotation - Texas Instruments

Developing projections for profit and loss (P&L) and balance sheet items; supporting various managers with proactive reviews of actual and projected spending; and developing analytical tools and reporting to support different financial and operational areas within the organization.

As a participant in ACCESS you'll rotate through three diverse and challenging positions in finance, accounting and/or operations during a 3 year period. Each one year assignment will give you experience in areas such as financial planning, cost accounting, capacity planning, supply chain management and more. Once your rotations are complete, you will be placed in a rewarding position that plays to your strengths.

#### Minimum Requirements:

- Minimum BS/BA degree in Finance, Accounting, Industrial Engineering, Supply Chain or related field
- Minimum cumulative 3.0 GPA

#### Preferred Qualifications:

- Demonstrated strong analytical and problem solving skills
- Strong written and verbal communication skills
