

Project Plan

Additional Benefits to users:

At any point in time users can print their project plan to show peers or administrators their progress

Users will earn badges based on completion of specific steps and overall project plan

Multiple users may create and modify the same project plan

TheCasesolutions.com

The project planning tool needs to meet the needs of three main audiences: formal K-12 educators, out of school time youth development workers, and youth

**Project
Planning
Tool**

Project Planning Tool

Stage 1

Identify Desired Results

Stage 2

Determine Acceptable Evidence

Stage 3

Plan Learning Experiences

Self Assessment

Project Plan

This section allows users to create their own Project Plans using the other resources in the tool. This tool will be based on NYLCS academically rigorous service-learning unit planning template. Users will utilize all of the tool's resources to help create their unit. At any point in time the users may export or print what they have created.
