

DESSERT VALLEY

DESSERT VALLEY

DeSSERT valley

My speech is on DeSSERT valley
National Park.

Location

Death Valley is a desert-valley that is located in eastern California. It is the lowest, driest, hottest area in North America.

Name?

Dessert Valley got its name in 1849 when 12 out of 30 people died there. the group was trying to find a shortcut to the Golden Fields in California. one of the 18 survivors gave the name.

0000

In this powerpoint i'm going to tell you about plants, animals, climate and landscape of Death Valley.

Temperatures

The temperature is not
