INTRODUCTION

- An organization has to ensure that the corporate governance and business ethics framework are created properly (Renu Nainawat, 2013)

- The combination of corporate governance and ethics in the organization strengthens the application and relevancy of an endeavor whether it is undertaken on the firm level or on a global scale (Governance, 2009).

- An organization that implemented business ethics will indirectly have a good corporate governance as both are interrelated (Sun, 2011)
