

Big data is the future and we need to have a structured and loss less plan to get success in this Market. The following work flow is a structured path to reach our goal.

[TheCaseSolutions.com](http://TheCaseSolutions.com)

***TRAINER***

In this Bigdata BD plan Trainer plays a vital role as a Heart. The following must be implemented by a trainer.

## **Duties:**

- 1. Must train atleast 10 consultants perfectly per month.**
- 2. Must act as a proxy for our consultants.**
- 3. Must work as a backup for the placed consultants.**

## **Drawbacks:**

**1. Kishore is a full time employee under indian company. so his working hous are limited.**
