### Battle of Cowpens

North against the South in the Revolutionary war  
 The battle took place on October 8, 1781, in the Cowpens region of South Carolina. The British were defeated, leading to the end of the war in the South.

### history of the region

### settlers

wanted to explore lands looking for gold

settlers came to the mountains from the east and west to search for gold

they found gold and lots of valuable minerals

settlers came to the mountains from the east and west to search for gold
