

Success & Challenges

Challenges: topic changes
Successes: finding information for my final topic

Steps

- based on my own
- child care center (psychology for development, topic prior)
- to home daycare (analysis on case file, working with kids after age)

www.generation.com

Steps

- similarities and differences for the web diagram
- similarity most of adults to help difference prior

pdx.com

Reflection

taught me time management
not to procrastinate
responsibilities in life

Burchell and Listokin 1994)? Harvard Case Solution & Analysis

The Case Solutions
