A 2008 Budget spreadsheet. The title is "[Company Name] 2008 Budget". The spreadsheet is organized into sections: REVENUE, EXPENSES, and NET REVENUE. Each section lists various financial items with columns for months (JAN to DEC) and a total column. The REVENUE section includes items like Sales, Service, and License. The EXPENSES section includes items like Salaries, Rent, and Utilities. The NET REVENUE section shows the difference between revenue and expenses. The spreadsheet is tilted and partially obscured by the stack of money.
