

Critique

- Use of "decent" vs "street"
- Authors background?

Code of the Street

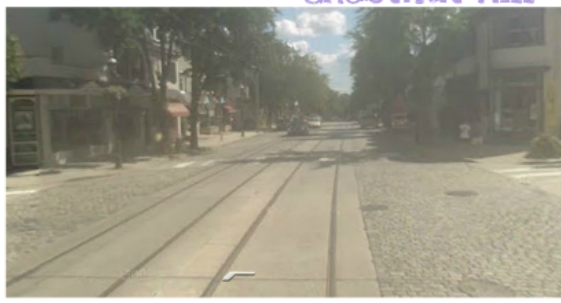

The Code of the Street

Examples

- Code Switching
- Physically asserting oneself
- Campaigning for status by taking a trophy
- Senseless violence to show status
- "Stop Snitching"
- Street Cred

"In the most socially isolated pockets of the inner city, the double standard of the criminal justice system has given rise to a kind of people's law based on a peculiar form of social exchange: the Golden Rule, whose byproduct in this case is respect and whose currency is vengeance..."
