

### Cultural or Social Importance

The boogie was also called "The House Party"

Today the Boogie-Woogie would go under the category of "rock & roll" because it needed an alternate label.

In social situations (mostly in Europe) or in competitions all around the world

People confuse it with the Lindy Hop

This dance took place in crowded tenements in Chicago, Detroit & New York. It basically took place in any city where there was a great population of black people.

## Historical Background

Such a key for boogie number 101 called for "housewives".

The boogie was often called "housewife" and the dancing was often in the living room.

In the year 1926 people started to notice that they referred to the boogie "to wit" on "top".

In the year of 1942, Phillip Williams noted that the new boogie was all boogie "things" that were in fact a new name for the dancing in the 1930s.

At the time boogie parties started there were hundreds of boogie parties in the United States.

The boogie was in the world when it started in the boogie room. Boogie started in America in the 1920s.

## Dancing to the Boogie Woogie

The boogie woogie is known as a swing dance. It is a fast but smooth dance. The step one elastic powerful steps and its dance flat with no jumps. It is a couples dance but there is a leader and the leader is usually the guy.

- What are some rules to how to dance the Boogie Woogie:
- The leader stays stationary while the follower moves in an imaginary rectangle.
  - It is a one beat dance pattern.
  - Step step triple step.
  - The pattern is usually a travel forward pattern.
