The image shows a computer monitor with a white frame and a black border. On the screen, the Google logo is displayed in its signature multi-colored letters (blue, red, yellow, green) on the left, followed by a purple "VS." symbol, and then the Yahoo! logo in its classic red, bold, sans-serif font with a registered trademark symbol on the right. Below the monitor, a portion of a dark grey keyboard is visible. The monitor sits on a light grey surface, which is set against a background of light blue and grey diagonal stripes.
