# Negative Effects of Technology on Children

**Focus:** The negative impact of technology on the developing child.

## 4 Negative effects of Technology

### Elevated Exasperation

- Children indulge themselves in internet, games, or texting affecting their psyche negatively consequently leading to increased frustration
- They instantly get frustrated whenever they are asked to do anything while playing games or using the internet  
Ex: when their parents ask them to take the trash out, they get furious instantly.

### Violent video games and development.

like comment share

- Lack of Compassion
- Adolescents and teens today are having difficulty identifying emotions in people.
- Inability to feel empathy toward others who may be feeling pain, sorrow

# 4 Negative effects of Technology

## ***Elevated Exasperation***

---

- Children indulge themselves in internet, games, or texting affecting their psyche negatively consequently leading to increased frustration
- They instantly get frustrated whenever they are asked to do anything while playing games or using the internet  
Ex: when their parents ask them to take the trash out, they get furious instantly.

## ***Deteriorated Patience***

---

get furious instantly.

## ***Deteriorated Patience***

---

- Tolerance in children is vanishing quite increasingly due to the improper use of technology
- Determination is a necessity that comes with patience and without it no individual can survive the hardships of life

Ex: children get frustrated quickly when they surf the internet and the page they want to view takes time to load

## ***Education***

Ex: Children get frustrated quickly when they can't find the internet and the page they want to view takes time to load

## ***Education***

---

- Due to the excessive usage of online chatting and shortcuts, the writing skills of today's generation have declined quite tremendously.
- Children are now relying more on digital communication and it is affecting their education.

Ex: They don't know the spelling of words and how to use grammar and punctuation properly.

## ***Lack of Social Skills***

---
