Unless you look deep into the hidden message of this book, you wouldn't know what Bob was really trying to show.

Scratching the surface, you'll find that this book is an autobiography about what Bob

# Scratching the Surface

Unless you look deep into the hidden message of this book, you wouldn't know what Bob was really trying to show.

Scratching the surface, you'll find that this book is an autobiography about what Bob went through during his time in the NHL. And it is exactly that, but it also has a deeper meaning and lesson that Bob was trying to teach.
