SPIRIT OF AQUA

"maximising value through SMART DESIGN"

By Alia Beyg
AQUA architecture

PHILOSOPHY

AQUA architecture is a **niche architectural practice**, established upon **extensive knowledge** of development projects, from initiation to completion. We are based in London, UK, delivering projects in the **GLOBAL ARENA**.

London
Dubai
UK
Oman
Egypt
Singapore
KSA
Meyya
Cairo

Design is carefully tuned through rational and precise detailing. Through an evolving vision, with specialist intervention, project requirements are met and exceeded with relevant, sustainable, cost effective, and elegant architecture.

SERVICES

Feasibility studies, Site analysis, Environmental Climatic analysis. Planning, PD, Concept to Detailed Design, Public consultations. Construction management, Architectural Project Management, and Integrated Multidisciplinary Design Co-ordination.

SECTORS

Residential (high end & low cost housing), Urban Regeneration, Master Planning, Infrastructure, Sports, Hospitality & Commercial sectors, including architectural visioning.
