Entrepreneurship

Entrepreneurship is the pursuit of opportunity beyond resources controlled.

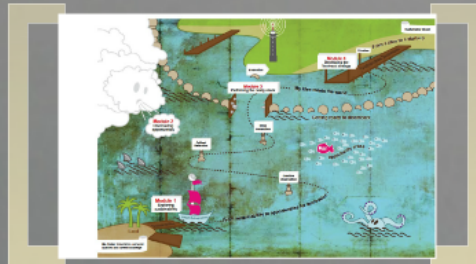

An Entrepreneur

An entrepreneur is a person who organizes and manages an innovative business undertaking, assuming the risk for the sake of profit.

Social Entrepreneurship & Entrepreneur

Social entrepreneurship is the process of pursuing suitable and innovative solutions to social problems.

Social entrepreneurs are individuals with innovative solutions to society's most pressing social problems. While a business entrepreneur might create entirely new industries, a social entrepreneur comes up with new solutions to social problems and then implements them on a large scale.

Social Entrepreneurship in Turkey

Social entrepreneurship is a model with great promise and potential for Turkey. There already are organizations that successfully operate along social entrepreneurship lines in Turkey. Nevertheless, awareness raising activities on social enterprises are needed.
