8E Surgical Unit

8 East Acute Care provides surgical specialties such as:

-> Urology, Renal Transplant, Head & Neck, Trauma, Colorectal, Surgical Oncology, Gynecology, General Surgery, Radiation, High Dose Brachytherapy, Liver Transplant and Medical Boards

My role

- Provide one- on-one patient companionship
- Observe and assist patient care with RN, LVN, or CCP with beds, baths, feeding, ambulating, transporting,
- Assist families and visitors as necessary
- Answer phone calls, patient call lights, respond to emergencies
- Deliver and retrieve items from pharmacy, laboratory, blood bank, central supply, and other departments

- Prepare rooms with admission or discharges
- Participate in transfers to other units and diagnostic procedures
- Perform continual rounds on each room, ask if patients and families need anything
- Perform unit based audits/surveys collection
- Work along side with the unit secretary, RN/LVN's, charge nurse, care extender
- Familiarize myself with the locations of supplies and restock items
