Site Investigation

TheCaseSolution.com

Introduction

Course Outline

- Who am I
- Where am I
- What are we doing
- Week by Week
- Expectations

Moodle course

- Layout
- Prezis
- Articulate lessons

<https://learning.wintec.ac.nz/course/view.php?id=3556§ion=0>

Assessment Information

- Tests
- Lab Portfolios
- Project

Project

- How it will work
- Expectations

Groups

Geotechnical Engineering: Get into a group of 3 students. Write down the names of your group members and also decide on the best time on a Friday for a 1 hour lab session. Put three times down as preferences in case your first time isn't available.

Site Investigation: Ditto :)
