- Rain
 - Happiness
 - Sadness
 - Purging
 - Cleansing
- Drain
 - Taking away pain and hurt
- Construction sign
 - protecting the blue umbrella from getting hurt

Why I like it...

I like this video clip because the connection the two umbrellas had and how they fell in love was just so precious. I liked how all the inanimate objects tried their best to reunite them when they were separated. The blue umbrella took quite the beating just to see the red umbrella again. This short film is its own type of love story.
