Take Home Paper

2013

Take Notes...

- in class...
- in this presentation...
- when you're talking to your professors
- when you're having an interview
- when you're studying

Work on Writing

Peer Editing = USEFUL

Makes it easier on the person who grades
your paper...

Cite while you write!

We are amazing mentors who can
occasionally make our mentees laugh

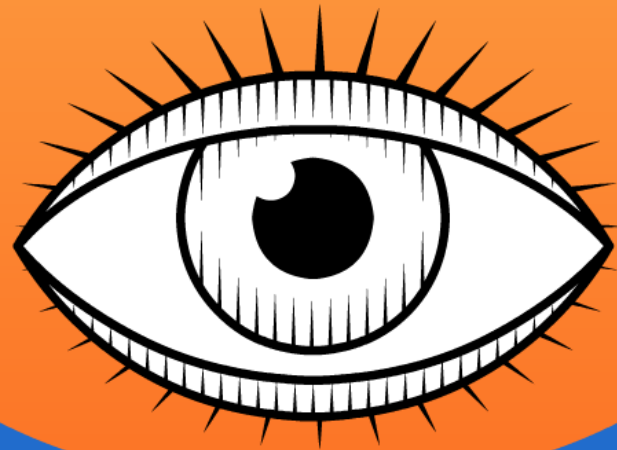

(Nikki & Jesus, 2013)

Be Mindful in Class..

- Pay attention and participate
- Discuss class material in & out of class
- Contribute *thoughtful* responses
 - Discussion guidelines
- Talking & Listening.....Practice both

Get Connected on Campus

- Join a club OR start a club!
- Get an on-campus job
- Attend events & workshops
- Volunteer @ events/workshops
- Be a T.A.
- Be a mentor
- Study abroad 
- Or just go out & mingle with people !

Stay Healthy

*Practice healthy relationships
with yourself and others!*

**Visit Health Center,
Rec & Wellness Center & CAPS**

*Remind yourself of
why you came to
college in the first
place.*

You have made it so far- don't give up.
