& How to search if we have the books

TheCaseSolution.com

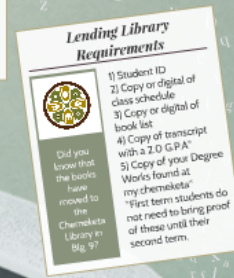

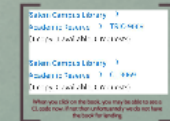

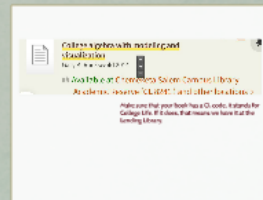

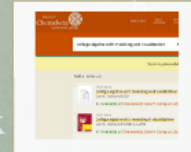

The Textbook Lending Library is a service that works as an incentive for students to be successful in their classes. Textbooks may be requested starting the week prior to the beginning of classes (Monday to Friday 8 am to 5pm) on a first-come-first-serve basis at the Student Retention and College Life office (Building 2, Room 176). You can request a set of books for one class per day from the books available. If available, then you can check them out at **no cost** from the library on the first day of classes and then books must be returned at the end of the term in the same condition they were lent out.
